No. 2039 E-3

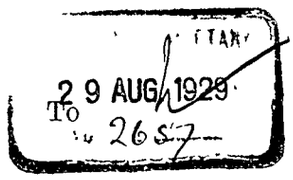
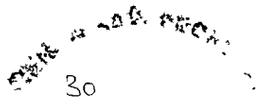
FROM

A. K. Syed Taj Peeran, Esq., B.A.,
The Muzrai Commissioner in Mysore.





TO

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

I have the honor to state that in view of the fact that many of the students of the Ayurvedic and Unani College Mysore, are being put to much inconvenience for want of cheap and healthy mess-rooms in the city, the College Committee at their meeting held on 7th -- August 1929 have resolved that a hostel making separate provision -- for Hindu and Manomedan sections may be provided for the college -- students and for this purpose it is recommended that a monthly --- recurring contribution of Rs.90/- (Rs.50/- and Rs.40/- respectively for the two sections) towards house-rent and establishment charges may be given from the annual grant to the Institution. (Vide copies of the resolutions enclosed). The Committee have also proposed to incur a non-recurring expenditure of Rs.300/- (Rs.200/- and Rs.100/- respectively for the Hindu and the Mahommadan Sections) towards the equipment of the Hostel. The total cost both recurring and non-recurring for the current year comes to Rs.1380/- and this is ---- proposed to be met from the savings under Establishment.

Since a Hostel is a real necessity for the College to provide students with healthy accommodation and meals, I request that the -- opening of a Hostel at a cost of Rs.1380/- for the current year may be kindly sanctioned, the cost being met from the savings under --- Establishment as stated above. The recurring expenses of Rs.1080/- p.a. from next year onwards may be provided for in the Budget of the

the Institution.

I solicit favour of early orders.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

SIR,

With reference to your letter No.647/Muz.81-29-2 dated -- 14th September 1929 and the subsequent reminders thereon enquiring from what source the expenses in connection with the proposed grant to the hostels intended to be attached to the Ayurvedic and Unani College, Mysore would be met, I have the honor to state that as it is not possible to meet this expenditure from the sanctioned grants, an application has been made for an additional grant of Rs.1200/- per annum, though the request from the Vice President of the college committee is far Rs.75/- per hostel per month or a total of Rs.1800 per annum, as no convenient house for locating the hostels can be -- had at Mysore for any thing less than Rs.50/-.

I therefore request that the opening of the Hostels both for Ayurvedic and Unani Sections of the College on a monthly grant-in-aid of Rs.50/- each may kindly be sanctioned, the cost being met from the additional allotment to the college to this extent as -- already requested. As regards the initial expenditure of Rs.300/- for the purchase of vessels etc., it may perhaps be met out of the general savings in the next year's grant of the college.

As the students of the College are put to much -------- inconvenience for want of healthy accommodation and mess-rooms,

I

I request that early sanction of Government may be obtained for the above proposal.

SIR,

With reference to your letter no. 5745/ Miz.81-21- dated 23rd June 1931 enquiring how the extra cost on account of the proposed to be given to the hostels intended to be attached to the Ayurvedic and Unani College, Mysore could be met without ----- estimates of the college have already been passed etc., I have the honor to state that an application for an extra sum of Rs.1000/- was made to Government at the time of the budget allotment for the purpose but it was not included in the budget by the ----- Comptroller. The allotment of Rs.1000 passed for the college for the year 1931-32 will hardly suffice to meet all the contingent demands and as such it is not possible to effect any saving out of the allotment. In these circumstances I request that the Government may kindly ----- grant to meet this extra item by kindly sanctioning the supply of the required establishment as noted. The urgent necessity for the ----- provision of hostel has already been fully explained in the ----- previous letters on the subject.
